"Different From All Others" PALMIST **PSYCHIC**

Mr. Edward Allen

FEES-\$2.00,

\$3 and

\$5.00.

Palmistry A Science Allen is to palmistry what Edi-son is to electricity. By his learning and investigations he has reduced palmistry to an ex-act science. Palmistry is an in-teresting subject because it deals with all problems of life.

TO KNOW THE FUTURE is, in a large measure, to master your own destiny. Those who simply drift sometimes succeed, those who act, and work far more frequently, but those who see beyond today usually win. The clever financier sees the future and plans for it. The politician, likewise, and so may you. If you will. Just as you go to the doctor if you are ill, or lawyer if in trouble, so should you go to the psychic-palmist when uncertainty blocks your path. Let him study your hand, as does the physician your case. Do not imagine that ONE interview will cover all your life. It will, however, show you the reality of the claim. TO KNOW THE FUTURE IS.

PRIVATE AND PERSONAL matters requiring clear insight, wise advice and good judgment are among the subjects receiving the most careful attention and skillful handling.

If you are experiencing either do-mestic or business difficulties. If you are in doubt, and suspect that matters are not as they should be.

ASK YOURSELF.

If you desire to know what you are best adapted for, what you should do to make life pleasant and a success, and If you desire to be advised prop-erly on the most vital and im-portant affairs of daily life, and, if so, be sure to consult Mr.
